PIONEER BIBLE TRANSLATORS **CO-SPONSOR OF MISSIONS: TRIANGLE!**

The goal of Pioneer Bible Translators isn't just translation, but transformation. We bring people to Jesus through Bible translation and church planting, combined with discipleship, incarnational ministry, and the use of translated Scripture.

The word "Pioneer" reflects our commitment to translating the Bible and planting churches among the world's least-reached people groups.

Because we specialize in both Bible translation and church planting, Pioneer Bible Translators is uniquely positioned to reach language groups who still have no church and no Scripture.

RESLIFE CHURCH

CO-SPONSOR OF MISSIONS: TRIANGLE!

We are a small but growing church who are weekly reminded that the church is made up of a 'building of people'.

We are built through meaningful multigenerational and multicultural relationships with a common mission: We are first captivated by the King, so our mission is to captivate those on the fringes of religion so they feel compelled to belong to Jesus and are commissioned to represent Jesus.

THE ROBERT MORRISON PROJECT

The Robert Morrison Project is a non-profit, non-denominational organization dedicated to translating and publishing reformed literature in the Global South.

Our aim is to focus on areas of the world where the church faces great hardship and often has no access to quality Christian literature.

We encourage the local church to think globally, strategically, and proactively about how reformed literature is used in the fulfillment of the Great Commission.

SAFE FAMILIES FOR CHILDREN

Founded in 2003, Safe Families for Children surrounds families facing a crisis with caring, compassionate community.

We are a volunteer-driven nonprofit that provides hope and support to families in our local communities. Located in 70 cities across the United States, United Kingdom, Canada, and beyond, we are motivated by faith to keep children safe and families together.

TWR MOTION

Through the videos we create, we want to model that the gospel is for everyone — no matter your culture or language. It can be challenging for people to imagine being a follower of Jesus. That's why we produce videos that enable people to do just that. We do this by ensuring the art, music and language feel local.
